

# Simoné Rossouw

FINAL YEAR  
BSC INFORMATION TECHNOLOGY STUDENT  
NORTH-WEST UNIVERSITY

## OBJECTIVE

Creative and motivated Information Technology student with experience in multiple programming languages and a strong passion for learning. Seeking opportunities to develop technical skills and gain practical experience while contributing meaningfully to a collaborative team.

## EDUCATIONAL HISTORY

### Hoërskool Zwartkop:

- Highest scoring student in mechanical technology of 2021
- Matriculated with 4 distinctions
- Photography Society of South Africa  
October 2023 Junior Club winner Finalist

## CODING LANGUAGES

### Skill level rating out of (5).

- **Java (3)**
- **Python (2)**
- **C++ (2)**
- **C# (2)**

### Skill level description:

*Based on level of experience*

- (1) Beginner** - Basic understanding
- (2) Novice** - Can perform simple tasks but still learning the fundamentals.
- (3) Intermediate** - Can solve common problems independently and apply it in projects.

## PRACTICAL EXPERIENCE

- Developed a .NET Core (C#) backend for a Gendac web application to manage employee Career Development Plans, designing RESTful APIs with full CRUD functionality using Entity Framework and SQL Server.
- Implemented secure authentication and authorisation using Microsoft Entra (OAuth 2.0) and produced API documentation with Swagger.
- Collaborated in an Agile Scrum team using Git and Azure DevOps for version control, task tracking, and pull requests.
- Co-developed a full-stack information system (SQL Server & Visual Studio) for a Systems Analysis & Design project, achieving 100%.
- Currently completing an advanced Java programming course (130+ hours, Udemy) to strengthen object-oriented design and problem-solving skills.
- Completed hands-on labs on TryHackMe covering Linux fundamentals and core security concepts.
